

To our friends who passed away in 2025, you will be missed

Marjorie Norma Riley – Peacefully passed away on 7th January 2025, aged 81 years.

Norma played bowls for over 20 years and joined Burton & Puddington Bowling Club in 2010. She was a member of the B&P team that won the Eldridge Cup in 2015. A keen gardener, she donated several of the initial plants to our new landscaped area around the green. She was also a staunch member of the Great Sutton Ladies Team.

Rod Adams – passed away 14th February aged 79.

Rod was a keen bowls player for over 40 years, joined B&P in 2014 and played in the Chester League. Rod was also in the team that won the Eldridge Cup in 2015 and had been a member of various VETS teams over the years. He enjoyed his social bowling in his later years when his illness stopped him from bowling competitively.

Anne Elizabeth Tilley - 23/12/1953 – 08/07/2025

Anne was born in Warwickshire, she loved the seaside and finally realised her dream to live near the coast when she moved to Neston in 2021. Anne wasn't a bowler but she enjoyed supporting teams, scoring, and being wrapped in blankets, considerably brought along by Alan B, when it was chilly. On Anne's behalf Dave would like to thank you all for your kindnesses.

Kevin Holt - 1948 – 6th June 2025

Kevin was born in Southport. He played badminton at County level and later golf to a high standard. On moving to Burton in 2000, he joined B&P Bowls and played for Burton Woods, then on his retirement he also joined Capenhurst Club. He enjoyed the card game Bridge, and played and supported indoor bowls when it began at B&P.

Joan Jones – 4/9/1938 – 8/12/2025

Joan had played bowls in Wallasey prior to her joining B&P in 2008 where she joined the Ladies Bowling Team. Her failing health forced her latterly to play social bowls only on a Saturday which she greatly enjoyed, winning the trophy one week with her bowls partner Roy.
